Program Highlights

- Over 150 weekly activities across Arts & Lifeskills, Sports, STEM, Leadership etc
- Hands-on, project-based learning that keeps children engaged.

New Activities This Term

1. The LESD Ballet – Learning a Royal Academy of Dance (RAD)-based syllabus with Ghana's ONLY RAD registered teacher, Laretta Evans-Anfom.
2. MindBots AI – an age-appropriate introduction to artificial intelligence and robotics through fun building, coding and problem-solving projects.
3. Board Game Café – a mix of classic and modern games like Scrabble, UNO, Spot It!, Pictionary and Blokus. Builds teamwork, vocabulary and problem-solving in a fun, social way.
4. Little Chefs Cooking Club - new cooking classes for maternelle students with pre-prepped ingredients (e.g., pizza faces, fruit kebabs, cupcake decorating etc).
5. Piggy Bank Pals – saving, spending and making smart choices through market games, role-play and everyday life scenarios.
6. Table Tennis – fun, fast-paced coordination and reflex training.
7. Rollerblading – balance, agility and fitness on wheels.
8. Acro Dance – a dynamic blend of dance and gymnastics that builds flexibility, strength and confidence in movement.

Improvements This Term

1. Cooking Activity for Elementary groups extended to 2 hours for proper prep, cooking and tasting.
2. Theatre (Elementary) also extended to 2 hours for rehearsal and performance.
3. Class size enforcement & stronger scheduling for smoother sessions.
4. Some activity fees have been adjusted to reflect the higher cost of ingredients and materials, as well as the extension of certain classes (such as Cooking and Theatre) from one hour to two hours. At the same time, Cheeky Monkey admin staff are undergoing training on Edeka as we prepare to migrate all registrations and program management onto the platform by January 2027 (Second Cycle), ensuring a seamless registration process for families.
